

Cycle 4/Niveau A2

Ce livret de Noël a pour but de permettre aux élèves de découvrir les traditions des fêtes de fin d'année en Grande-Bretagne à travers des activités, des jeux, une chanson de Noël et une recette qu'ils pourront réaliser à la maison. Cela leur permettra de travailler la compréhension écrite et la compréhension orale (principalement) de manière ludique et pragmatique.

On peut donner tout le livret à faire à la maison pendant les vacances de Noël ( sous format pdf, les élèves peuvent cliquer directement sur les images afin d'accéder aux liens). On peut également piocher dans les activités et les donner aux élèves de manière isolée, à faire à la maison ou en classe.

## ***Learn how to bake delicious gingerbread!***

### ***Ingredients***

100g salted butter  
3 tbsp golden syrup  
100g dark muscovado sugar  
½ tsp bicarbonate of soda  
1 tbsp ground ginger  
1 tsp ground cinnamon  
225g plain flour  
50g icing sugar

*Copy the link in your adress bar to watch the video!*

<https://www.bbcgoodfood.com/recipes/ultimate-easy-gingerbread>

### ***Method***

**STEP 1.** *Heat the butter, syrup and sugar together in a small pan until melted, stirring occasionally. Set aside to cool slightly.*

**STEP 2.** *Mix together the bicarb, ginger, cinnamon and flour in a large bowl. Pour in the buttery syrup mixture and stir to combine, then use your hands to bring together to form a dough. Add up to 1 tbsp of milk to combine if needed. The dough will be soft at this point, but it'll firm up in the fridge.*

**STEP 3.** *Put the dough on a sheet of baking parchment, shape into a rectangle, and lay another sheet of parchment on top of it. Roll the dough out to a thickness of ½cm. Transfer to a baking sheet to keep it flat, leaving the parchment in place, then chill in the fridge for 1 hr.*

**STEP 4.** *Heat the oven to 190C/170C fan/gas 5 and line a large baking sheet with more baking parchment. Remove the dough from the fridge and cut out shapes using a cookie cutter.*

**STEP 5.** *Place the shapes, spread apart, on the lined baking sheet, and bake for 10-12 mins. (Depending on the size of the cutters you use, they might need a few minutes more or less cooking in the oven). Leave to cool completely on the baking sheet.*

**STEP 6.** *Meanwhile, mix the icing sugar with 1-2 tbsp water - you want to create a consistency that's thick and pipeable, and not too thin or it will run. Decorate the cooled biscuits with the icing using a piping bag with a thin nozzle.*
