

## Paroles Asa Jailer

I'm in chains you're in chains too  
I wear uniforms and you wear uniforms too  
I'm a prisoner, you're a prisoner too Mr Jailer

I have fears you have fears too  
I'll die, but yourself go die too  
Life is beautiful, don't you think so too Mr Jailer ?

I'm talking to you jailer  
Stop calling me your prisoner  
"Let he who is without sin be the first to cast the stone" Mr Jailer, Mr Jailer-man

You suppress all my strategies  
You oppress every part of me  
What you don't know, you're a victim too  
Mr Jailer

You don't care about my point of view  
If I die another will work for you  
So you treat me like a modern slave Mr Jailer

I'm talking to you jailer  
Stop calling me a prisoner  
"Let he who is without sin be the first to cast the stone" Mr Jailer, Mr Jailer-man

You see,  
If you're walking in a market place  
Don't throw stones  
Even if you do you just might hit one of your own  
Life is not about your policies  
All the time  
So you better rearrange your philosophies and be good to your fellow man jailer

Stop calling me your prisoner  
"Let he who is without sin be the first to cast the stone" Mr Jailer

Oh I'm talking to you jailer  
Stop calling me your prisoner  
"Let he who is without sin be the first to cast the stone" Mr Jailer

I hear my baby say  
I wanna be president  
I want job money  
From my government  
What he don't know what he won't know what he can't know  
Jailer, Jailer  
Oh ' Be good world  
Be good world ,, be good world  
Be gooOood .....
