

DOBBLE - RULES

AIM OF THE GAME : Spot the common symbol on both cards.

HOW TO PLAY : 1. Give each player a card. 2. Place the rest of the deck of cards on the side. 3. Take one card from the deck and place it in the middle. 4. When a player calls out loud a common symbol between their card and the card in the middle they get the new card and place it on top of their initial card. 5. Repeat the process until the deck of cards is empty. 6. The player who gets the most cards wins.
