## The Animals Save the Planet

"The Animals Save the Planet" is a series of 11 funny cartoons from "[Animal Planet](#)", where animals provide **tips** on how to live an eco-friendly lifestyle. **Enjoy!**

|                            |                             |                          |
|----------------------------|-----------------------------|--------------------------|
| use biodegradable products | recycle all you can         | use recycle bin          |
| use energy saving bulbs    | insulate your home          | avoid using plastic bags |
| don't waste energy         | turn off what you don't use | cut your emissions       |
| eat a balanced diet        | use only the water you need |                          |

1) **Help save their planet,** \_\_\_\_\_

"The more meat we eat, the more cows there are producing greenhouse gases."

2) **Help save their planet,** \_\_\_\_\_

"Perhaps it might be nicer to think of others before you use up all the water."

3) **Help save their planet,** \_\_\_\_\_

"Energy saving bulbs use one fifth of the energy of ordinary bulbs."

4) **Help save their planet,** \_\_\_\_\_

"If animals can recycle, so can we."

5) **Help save their planet,** \_\_\_\_\_

"I think we can all agree, cycling produces no emissions and it's good for you."

6) **Help save their planet,** \_\_\_\_\_

"We could all bring our own bags when we go shopping."

7) **Help save their planet,** \_\_\_\_\_

"What we leave on standby not only produces greenhouse gases but can also keep some of us awake at night."

8) **Help save their planet,** \_\_\_\_\_

"Definitely not a couple of bright sparks."

9) **Help save their planet,** \_\_\_\_\_

"Don't you just hate it when someone else's rubbish ruins your lunch break."

10) **Help save their planet,** \_\_\_\_\_

"Is your heating turned up too high?"

11) **Help save their planet,** \_\_\_\_\_

"Do give a thought to where our rubbish goes."

## Brief Lesson plan

1. Title on board : '**Animals save the planet**' *What do you expect ?*
2. Worksheet = Read the lines and try and complete the missing messages
3. Watch cartoons , listen and complete the worksheet
4. Listen again and note down pauses in each message  
"The more meat we eat, // the more cows there are / producing greenhouse gases."
5. Find rhymes - alliterations - differences in punctuation - negative - questions ...
6. In pairs ,students RE- phrase ....
  - Choose what you eat
  - Don't be selfish
  - Think about nature
  - Be a good customer, buy smart
  - Save up energy
  - Think ahead
  - Riding a bike is good for you **and** for the environment

MAKEUP POSTERS FOR THE CLASSROOM WALLS

Enter a competition and organize a vote for the best posters !
